

SnakeBite

Beautiful Girls was the first original SnakeBite song written by Marty and Paul over nine years ago. Performing on many stages throughout SW Ontario as a country-rock cover band, the boys were conscious of the ever changing fashion craze amongst country music fans. As entertainers first and men second, hmmm or the other way around, SnakeBite knew Beautiful Girls in Baseball Hats deserved to be immortalized in song. When the band set out to work with Scott McQuaig, Beautiful Girls indeed took on a magnificence all it's own. As producer, Scott transformed a basic 12 bar blues based classic country song into a slick, groovin' rockin' country tune.
